350 Elaine Drive, Suite 100
Lexington, KY 40504

*Lexington Clinic offers
this CME presentation
as a service to our
colleagues. Please
register to attend.*

As a provider accredited by the KMA, Lexington Clinic must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty participating in an activity are required to disclose commitments to and/or relationships with vendors such as pharmaceutical companies, biomedical device manufacturers or distributors or others whose products or services may be related to the subject matter of the educational activity. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

CELIAC DISEASE UPDATE

RECOGNITION, DIAGNOSIS, TREATMENT AND RESEARCH

September 13, 2007

5:30 p.m. - 8:00 p.m.

FORMAT

- Patient presentations
- Didactic lectures
- Panel discussion

EDUCATIONAL CREDITS

Lexington Clinic is accredited by the Kentucky Medical Association to sponsor continuing medical education for physicians. Lexington Clinic designates this educational activity for a maximum of 2.0 AMA PRA *Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

TARGET AUDIENCE

This program is intended for primary care physicians, gastroenterologists, endocrinologists, pediatricians, physician assistants, and nurse practitioners. However, all specialties are welcome.

EDUCATIONAL OBJECTIVES

Upon completion of the session, the attendee will:

- Increase his/her awareness of the incidence of Celiac Disease.
- Understand GI and non GI symptoms and signs of disease.
- Know the physical findings of Celiac Disease.
- Understand serologic testing, immunopathology and genetic markers.
- Have current knowledge of the disease and status of treatment.
- Be able to list resources in the community: dietitians and support groups.
